

Basic Life Support courses, emergency oxygen training

First Aid training should be fun because only then it will be remembered and can be used efficiently in case of an emergency.

We offer you all kind of courses in our classroom, in your home or within your company.

So training your employees can be organized at the working place, at your schedule without time loss.

The courses are according to European standards and some titles can be complemented by official Spanish certificates (National CPR plan).

Cardioprotec offers you the following courses from the organisations Emergency First Response (EFR) and Divers Alert Network (DAN):

- DAN Basic Life Support (BLS) - Erste Hilfe - Soporte Vital Básico (SVB)
- DAN Use of an Automated External Defibrillators (AED)
- EFR First Aid for children (care for children)
- DAN Oxygen First Aid for Scuba Diving Injuries

- DAN Advanced Oxygen First Aid for Scuba Diving Emergencies
- EFR First Aid Instructor Course

- DAN Instructor Course

Here you find the Cardioprotec course catalogue for download.

In the course calender you'll find the upcoming courses. Register today.
